

Heavy Duty Stump Bucket

The Heavy Duty Stump Bucket is an excellent addition to your skid steer attachments. Easily dig around the stump, and then pop it out. We have even had contractors dig house footings with the stump bucket. These stump buckets will enable you to be more versatile in your contracting needs.

- Great for stump removal and digging footings

X-treme Stump Bucket

Our X-treme Stump Bucket is made from 1/2" top quality steel plate and features a 1" cutting edge with replaceable teeth. It has a curved bottom, giving you more leverage when prying up rocks and stumps or digging in harder ground. The X-treme Stump Bucket is a full 12" longer than our Heavy Duty Stump Bucket, which allows you to dig much deeper.
