

Agriculture

For skid-steer loaders, utility loaders, wheel loaders, & backhoe loaders

FFC provides an attachment that will fit all of your agricultural needs and will fit to most skid-steer loaders, compact utility loaders, wheel loaders, and backhoe loaders. Whether you are moving, squeezing or pushing bales of hay, FFC will provide you with an attachment to get your job done quickly and efficiently. The FFC Manure Fork and Bucket are also available with an optional bolt-on grapple to help in cleaning up and transporting of branches, brush, limbs, hay and manure. The Bale Grapple attaches to our agricultural bucket and is ideal for use with loose materials, bunker silos and secures hay for transporting.

- 1 year warranty on structure
