

LIMITED WARRANTY POLICY

Subject to the terms and conditions set forth in this Limited Warranty (this “Warranty”), this Warranty covers all new products identified in the chart included in the Addendum attached to this Warranty (the “Addendum”) that are manufactured and sold by Paladin Attachments, including parts thereof (such products and parts collectively defined as “Covered Products”) that are defective in material and/or workmanship during the applicable warranty period (as specified in the chart below). This Warranty does not cover any merchandise or components of a Covered Product that, in the opinion of Paladin Attachments (“Paladin”), have been subject to misuse, modifications or alterations not specifically authorized by Paladin, or any damage due to an accident or any repair to the Covered Product that has not been made with parts obtained from Paladin.

The terms and conditions of this Warranty shall include all of the terms and conditions set forth in this Warranty, including, without limitation, the “Dealer Responsibilities” and “Owner Responsibilities” set forth below, the Addendum attached to this Warranty, and adherence to the instructions set forth in the operator’s manual for the Covered Product.

Subject to the terms and conditions set forth in this Warranty, in the event of an occurrence of a defect in material and/or workmanship in a Covered Product during the applicable warranty period (each such occurrence, a “Warranty Event”), such Covered Product (or part thereof) will be repaired or replaced at Paladin’s option. Upon Paladin’s request, the defective Covered Product (or part thereof) shall be returned PRE-PAID to Paladin for inspection at the location specified by Paladin. Any claim of a Warranty Event (a “Warranty Claim”) must be submitted in accordance with the procedures set forth in this Warranty—otherwise, the Warranty Claim will be denied by Paladin.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, AND THERE ARE NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL PALADIN BE LIABLE FOR ANY CONSEQUENTIAL OR SPECIAL DAMAGES.

PALADIN’S LIABILITY FOR ANY AND ALL LOSSES AND DAMAGES INCURRED AS A RESULT OF ANY CAUSE WHATSOEVER, INCLUDING NEGLIGENCE, IRRESPECTIVE OF WHETHER SUCH DEFECTS ARE DISCOVERABLE OR LATENT, SHALL IN NO EVENT EXCEED THE PURCHASE PRICE OF THE PARTICULAR COVERED PRODUCT WITH RESPECT TO WHICH LOSSES OR DAMAGES ARE CLAIMED, OR, AT THE ELECTION OF PALADIN, THE REPAIR OR REPLACEMENT OF THE COVERED PRODUCT.

Limitation of Liability:

The liability of Paladin for any and all losses and damages incurred as a result of a Warranty Event or any other cause whatsoever, including the negligence of Paladin, irrespective of whether a defect is or was discoverable or latent, shall in no event exceed the purchase price of the Covered Product with respect to which such losses or damages are claimed. Under no circumstances will Paladin be liable to any person or entity for any loss arising out of or caused by delay in delivery. Any remedy for the breach of any obligation arising from or relating to the sale of the Covered Products or arising out of the purchase or sale of the Covered Products, whether derived from warranty or otherwise, shall be limited to the remedies expressly specified in this Warranty. ANY LIABILITY FOR ANY OTHER DAMAGE OR LOSS, INCLUDING, WITHOUT LIMITATION, ANY LOST PROFITS, LOST SALES, LOSS OF FUEL OR OTHER PRODUCTS, LOSS OF USE OF EQUIPMENT, COSTS OF BUSINESS INTERRUPTION OR DOWN TIME, LOSS OF BUSINESS OPPORTUNITY, CAPITAL COSTS, COST OF SUBSTITUTE EQUIPMENT, FACILITIES OR SERVICE, COSTS OF ENVIRONMENTAL REMEDIATION, DIMINUTION IN PROPERTY VALUE, OR ANY OTHER SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR ANY TYPE OR NATURE, IS HEREBY DISCLAIMED AND EXCLUDED.

WARRANTY CLAIM PROCEDURES

To be eligible to submit a Warranty Claim for any products, parts or labor, the Warranty Registration for the Covered Product must be completed and returned to Paladin. Note: The Warranty Registration is issued with each new Covered Product and can also be found on Paladin's website (www.paladinattachments.com). Any questions or requests for assistance in completing the Warranty Registration must be directed to Paladin's Technical Service Department.

To be eligible for reimbursement for any products, parts or labor, a completed Warranty Claim must be submitted in accordance with each of the following procedures—otherwise, the Warranty Claim will be denied: Warranty Claim forms may be obtained from Paladin's website or by contacting Paladin's Technical Service Department.

The Warranty Claim must be submitted by the dealer within 30 days from date of repair upon receipt of replacement components.

Before any repairs are made to a Covered Product, the dealer must obtain a Warranty Authorization Number from Paladin's Technical Service Department.

Warranty Claims must contain the following information:

- Covered Product serial number.
- Model and description of the Covered Product.
- Machine serial number.
- Description of the machine.
- Date Warranty Claim is prepared.
- Covered Product in service date.
- Date of failure.
- Hours of use on the Covered Product (often the same as machine hour meter).
- Dealer claim number.
- An accurate accounting of the failure or non-conformance. Photographs are helpful in investigating the failure and help expedite your claim.
- Documentation to support the Warranty Claim.
- A listing of parts used in the repair (please note that parts not purchased from Paladin are not covered by this Warranty).
- Date of repair and name of Paladin Technical Support personnel who authorized the repair.

Any Warranty Claims approved by Paladin may be reversed by Paladin at any time in the event Paladin discovers that any terms or conditions of this Warranty were not properly applied.

MATERIAL AND LABOR REIMBURSEMENT

To be eligible for reimbursement for any products, parts or labor under this Warranty, dealers shall adhere to all of the following terms and conditions.

MATERIAL REIMBURSEMENT

Service parts will only be reimbursed at dealer net cost. A copy of the parts invoice must accompany the Warranty Claim if parts are purchased for repairs. Reimbursement for parts used in warranty repair will be made only when the parts are purchased from Paladin. Parts must be repaired by authorized dealers with a Warranty Authorization Number to be eligible for reimbursement under this Warranty. Warranty Claims submitted without a Warranty Authorization Number or repaired by anyone other than an authorized dealer will be denied.

Replacement parts for Covered Products must be ordered by the customer through a customer-issued purchase order. Such replacement parts will be sent to the dealer under a “no charge” invoice. Covered Products that are whole attachments or other serial numbered items must be ordered by the dealer and will be sent and invoiced to the dealer and reimbursed subject to the terms and conditions of this Warranty.

New, remanufactured or Paladin-approved replacement parts may be used, at Paladin’s option, to repair a Covered Product. Reimbursement under this Warranty will not be allowed for assemblies or groups if it is practical to make the repair with individual parts. In some cases, the assembly or group price may be less than the total of the parts and labor required to complete the repair. In those cases, an assembly or group may be used if prior approval is granted by Paladin’s Technical Service Department.

LABOR REIMBURSEMENT

All labor for performing repairs must be completed within the later of 30 days of the date of the Warranty Event. Any extension of this 30-day requirement must be authorized in writing by Paladin’s Technical Service Department.

The Repair Time Allowance Table located at the back of the operator’s manual for the Covered Product must be used for all repairs. Labor will be reimbursed at a rate up to, but not to exceed, the following:

Brand	Maximum Labor Rate
Bradco, FFC, Harley, Kodiak, McMillen, Strike Force, Sweepster	\$65.00 per Hour
CP, CWS, JRB, Jewell	Not to exceed 70% of the dealer’s posted labor rate.

In the event that more than one warranty defect is being submitted on the same Warranty Claim, each defect must be documented to aid in receiving the proper reimbursement. For repairs not identified in the Repair Time Allowance Table, the time submitted will be adjusted based on Paladin’s relevant experience and records. Only authorized dealers are eligible to receive labor reimbursement under this Warranty. If one repair leads into another, no extra time is permitted.

The dealer shall not exceed the repair times set forth in the Repair Time Allowance Table found in the operator’s manual for the Covered Product. In the event the repair is not identified in the Repair Time Allowance Table, prior written approval from Paladin’s Technical Service Department must be obtained before performing any repairs on the Covered Product.

The most economical repair must be performed unless otherwise directed in writing by Paladin’s Technical Service Department. The cost to repair a Covered Product shall not exceed the cost of the Covered Product.

WARRANTY PROCEDURES

Freight Reimbursement

Freight charges for regular ground shipment will be reimbursed by Paladin at surface delivery rates on approved Warranty Claims. Any other freight charges, including freight charges for next day or other special freight service, will not be reimbursed by Paladin and are not covered by this Warranty. Freight charges for parts ordered in connection with an approved Warranty Claim and shipped with other dealer parts, whether stock or otherwise, will not be reimbursed by Paladin.

Return Material Authorization

If Paladin's Technical Service Representative requests the return of Covered Products, a Return Material Authorization ("RMA") will be issued to the dealer. **Note: A Return Material Authorization is not a Warranty Claim or a Warranty Authorization Number. No Warranty Claim is approved and no reimbursement is authorized as a result of the issuance or delivery of a Return Material Authorization.** When returning the Covered Product, the number for the RMA ("RMA#") must be visible on the outside of the shipping container and on the Covered Product. If the RMA# is not visible on the outside of the shipping container, it may be refused at Paladin's receiving door and returned at sender's expense. All Return Material Authorizations will be returned **pre-paid by the sender unless pre-approved shipping information is supplied by Paladin.** All Covered Products shipped to Paladin at Paladin's request will be tagged and held for 60 days after the Warranty Claim is submitted—and after 60 days such Covered Products may be scrapped by Paladin unless prior to the end of such 60-day period the dealer requests that a Covered Product be returned to the dealer, in which case the Covered Product will be shipped back to the dealer freight collect. Failure to return a Covered Product within 30 days from the date of issuance of a Return Material Authorization will result in a denied Warranty Claim and a voided Return Material Authorization. Any attempt to return any Covered Product that is associated with a voided RMA will be refused at by Paladin's receiving door and returned to the dealer at the dealer's risk of loss and expense. Paladin is not responsible for Covered Products returned without a Return Material Authorization or the RMA#. Covered Products sent to Paladin without a Return Material Authorization or RMS# may result in the loss of Covered Products. Parts that are supplied to Paladin by other suppliers ("Third-Party Parts") and shipped to Paladin at Paladin's request with an RMA# will be shipped by Paladin to the third-party supplier for such other supplier's evaluation. Under such circumstances, Paladin's decision to approve or deny the Warranty Claim relating to such Third-Party Parts will be based the decision by such third-party supplier. Disassembly of hydraulic motors, planetaries or gearboxes will automatically void this Warranty.

Credits and Credit Memos

Any reimbursement approved under this Warranty is made solely by the issuance of a credit or credit memo to the dealer associated with a Warranty Claim that has been approved by Paladin's Technical Service Department. Credit memos are processed by Paladin's accounting department. Credit memos are normally be processed within 7 working days after a Warranty Claim has been approved. A credit memo will not be processed unless and until a Warranty Claim has been approved. Credits and credit memos will be issued to the submitting dealer only and will be issued as a credit to the dealership's account.

Any credit or credit memo issued by Paladin may be reversed by Paladin at any time in the event Paladin discovers that any terms or conditions of this Warranty were not properly applied.

**** ANY CREDIT OR CREDIT MEMOS EXPIRE WITHIN 180 DAYS OF ISSUANCE. AFTER SUCH 180-DAY PERIOD, ALL CREDITS AND CREDIT MEMOS WILL BE FORFEITED.****

Denied Claims

Paladin will notify the dealer of a denial of a Warranty Claim in writing stating the reason(s) for the denial. To appeal a denied Warranty Claim, the dealer must submit a written appeal to Paladin's Technical Service Department within 30 days of the date set forth in the notification of denial submitted by Paladin. If the dealer has not submitted such written appeal within that 30-day period, the Warranty Claim will be considered closed. There is a limit of one appeal for each denied Warranty Claim.

Exclusion of Other Warranties

This Warranty is exclusive and in lieu of any other warranty, whether written or oral, express or implied, including without limitation any implied warranty of merchantability or fitness for any particular purpose. Except for any written modifications or additional warranties signed by the Paladin Operations Manager and/or Paladin's FP&A Manager, no agents, distributors, dealers or employees of Paladin are authorized to make any modification to this Warranty or to make additional warranties that are binding on Paladin.
