EN *SPARE PARTS*

ENGLISH

SPARE PARTS

Orders must be transmitted through our area dealers and should always include the following indications:

- Type, model and serial number of the machine. *These data are punched on the data plate with which every implement is equipped.*

- Code number, Description of the part and Quantity of the required spare part. *This will be found in the spare parts catalogue.*

- Table number.

- Means of dispatch. *If this item is not indicated, the Manufacturer, while dedicating particular care to this service, shall not be held responsible for delays in delivery caused by cases of force majeure.*

Transport expenses shall always be at the consignee's charge. The goods travel at the purchaser's risk and peril even when sold ex destination.

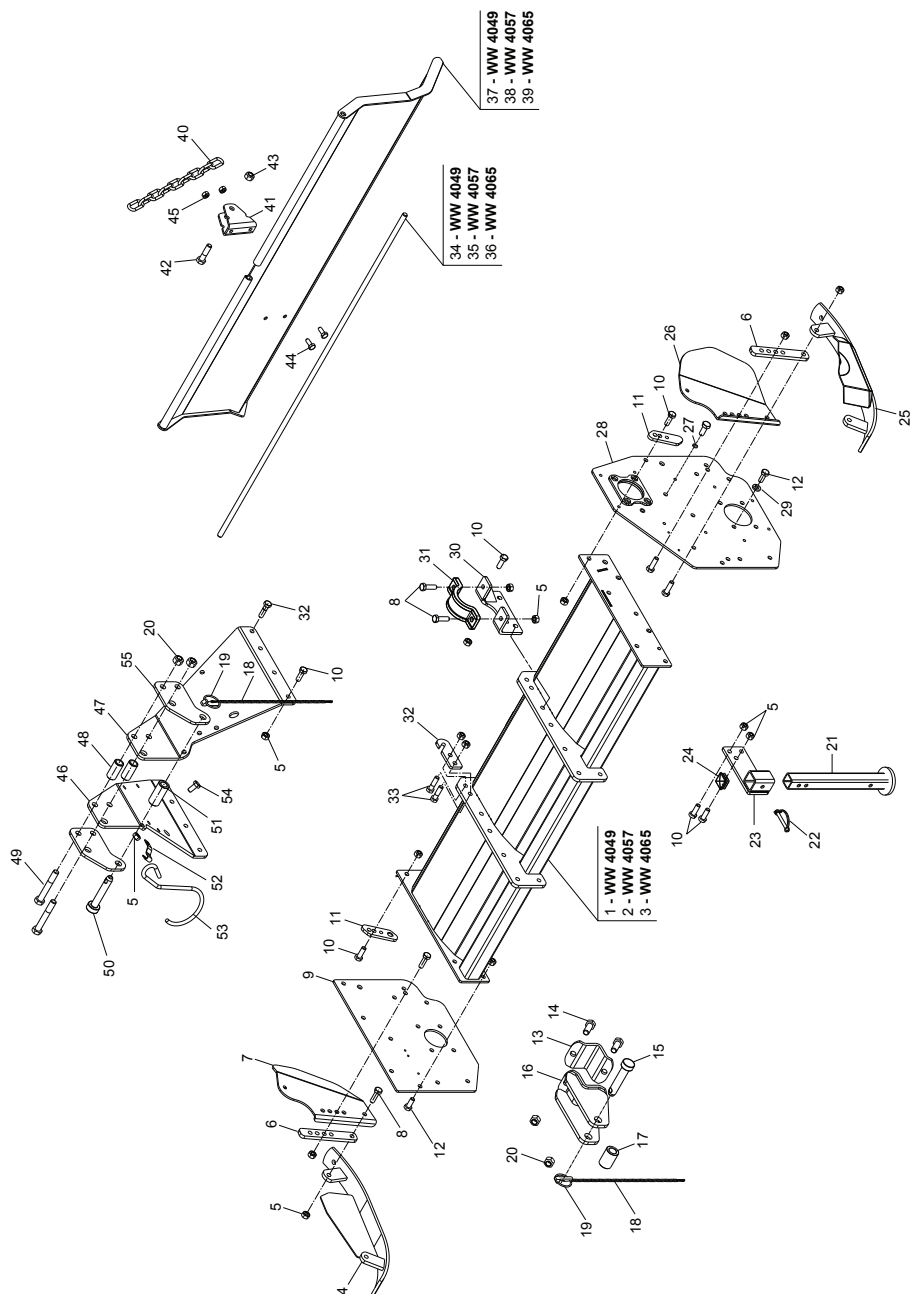

NOTE: *The symbols (RH) right and (LH) left concerning the machine or single parts of it is intended by looking at the machine from the rear. Exceptions will be indicated.*

Please Note: *Improvement in the product is an continuous process. Hence the information given in this brochure is subject to change without prior notice. Accessories shown are not the part of standard equipment.*
