

## ATI Corporation WARRANTY STATEMENT

### **Preseeder**

This Preseeder tiller is designed and manufactured to high quality standards. ATI Corporation, therefore, guarantees this tiller to be free from defect in workmanship and materials for three years from purchase date. If the machine is used for rental purposes, the warranty is limited to ninety (90) days.

Vendor Components, Hydraulic Motor and Control Valve are warranted separately by their specific manufacturer.

Rotor teeth and normal wear are not covered by this warranty.

Misuse, abuse, misapplication, and unauthorized alterations will void this warranty.

### **Level Best**

This Laser Grading Box is designed and manufactured to high quality standards. ATI Corporation, therefore, guarantees this Laser Grading Box to be free from defect in workmanship and materials for one (1) year from purchase date. If the machine is used for rental purposes, the warranty is limited to ninety (90) days.

Laser Controls, Vendored Components and Control Valve Parts are warranted separately by their respective manufacturers.

Does not cover normal wear or failure due to hydraulic oil contamination.

Misuse, abuse, misapplication, and unauthorized alterations will void this warranty.

**All warranty work must be performed by an approved Level Best dealer, and authorized by ATI Corporation.**

## ATI Corporation WARRANTY STATEMENT (continued)

### **Tach-All & Loader Attachments**

ATI Corporation attachments are built to high quality standards, therefore, all attachments are guaranteed to be free from defects in materials and workmanship at time of installation. However, due to the highly abusive nature of loader attachments, ATI Corporation does not imply or express any specific warranty on attachments after time of installation. Any work submitted for warranty coverage will be handled on a case-by-case situation.

ATI Corporation also guarantees fitment of each attachment onto the loader model specified at time of order, with no modifications needed. **All warranty work must be performed by an approved ATI Corporation dealer, and authorized by ATI Corporation prior to work being performed.**

ATI Corporation is not to be held responsible for any misidentification or incorrect information of loader model on the dealer's behalf.
